**Accidental It Girl** Libby Street

What comes around...

Photographer Sadie Price is known for her thick skin and infallible instincts. A lofty education has made her skilled in her craft, and a fear of poverty -- and love for Jimmy Choo -- has made her one of the East Coast's most savvy paparazzi. She keeps her exhilarating but sometimes hectic life manageable by staying on the right side of the razor-thin line between celebrity photographers and the stalkerazzi. But all that changes when Sadie locks horns with one of Hollywood's hottest bachelors.

...goes around.

Something about Ethan Wyatt's charisma and startling good looks throws Sadie off her game. Something about Sadie's dogged determination -- and a very compromising picture she snaps -- throws Ethan off his. Hatching a scheme befitting the silver screen that made him famous, Ethan sets out to give Sadie a taste of her own medicine. And when her life almost instantly becomes as frenzied as those of the "It Girls" she follows, Sadie starts to see her career, her love life, and Ethan Wyatt in ways she never had before....
