Christianity: Opera Omnia Vol. III.2, A Christophany: 3 Raimon Panikkar

In this second part of the third volume of Raimon Panikkar's Opera Omnia in English, Panikkar offers his reflections on Christianity in our era as well as in many other historical epochs. Following his reflections on "Christophany in the World," the reader is introduced to Christophany, Panikkar's justly famous text on Christ and mysticism. Christophany offers the attentive reader a way to experience the mystical depths of life. "To know Jesus is to experience Jesus' mystical life, in particular to share in divinity, and to know God as 'Abba'," Panikkar wrote. "What happened in the life of Christ will happen in us and, in our transformed lives, God lives in us without us losing our own being."
