**Cuori pulsar nei segnali multiverso dall'Infinito (Italian Edition)** Giuseppe DJoNemesis Ciucci

Una raccolta di poesie e racconti poetici contenenti messaggi di cambiamento provenienti dall'Infinito. Astri in versi che, grazie all'energia delle stelle pulsar, ritraggono in sequenze immortali i ricordi e le emozioni di chi vive e ha vissuto su questa terra: la materia infinita del cosmo crea l'ispirazione. Creature di passaggio, originarie di altre dimensioni, e divine entità invisibili agli occhi delle persone comuni si manifestano attraverso la ricerca poetica, esprimendo voci del passato e messaggi di un lontano futuro che annullano le distanze per accendere quei bagliori dell'anima capaci di fugare le ombre. Le vere distanze sono rappresentate dagli stati d'animo che imprigionano la personalità, impedendo la fuoriuscita di quella luce che accompagna ogni essere vivente. La nostra vera risorsa è la forza che pulsa dentro di noi: essa ha bisogno di volare libera, esprimere la propria bellezza e riflettersi nelle stelle dell'universo. Aprendo la porta alla sensibilità, chiunque potrà trasmettere magiche percezioni, mentre tutti insieme siamo impegnati a tracciare un cammino migliore per l'umanità. Contiene numerose illustrazioni, di cui 20 a colori.
