Louise Glück

Faithful and Virtuous Night: Poems Louise Glück

Winner of the 2014 National Book Award for Poetry

A luminous, seductive new collection from the "fearless" (*The New York Times*) Pulitzer Prize-winning poet

Louise Glück is one of the finest American poets at work today. Her *Poems 1962–2012* was hailed as "a major event in this country's literature" in the pages of *The New York Times*. Every new collection is at once a deepening and a revelation. *Faithful and Virtuous Night* is no exception.

You enter the world of this spellbinding book through one of its many dreamlike portals, and each time you enter it's the same place but it has been arranged differently. You were a woman. You were a man. This is a story of adventure, an encounter with the unknown, a knight's undaunted journey into the kingdom of death; this is a story of the world you've always known, that first primer where "on page three a dog appeared, on page five a ball" and every familiar facet has been made to shimmer like the contours of a dream, "the dog float[ing] into the sky to join the ball." *Faithful and Virtuous Night* tells a single story but the parts are mutable, the great sweep of its narrative mysterious and fateful, heartbreaking and charged with wonder.
