**IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition)** Tilman Beitter, Thomas Kärgel, André Nähring, Andreas Steil, Sebastian Zielenski

Seit Jahren schwebt der Begriff »Cloud« u?ber der IT-Welt. OpenStack ist eine mittlerweile von nahezu allen namhaften Herstellerfirmen unterstu?tzte freie Softwarelösung fu?r eine »Infrastructure-as-a-Service-Cloud«, die Prozessorleistung, Speicher, Netzwerk- dienste - die Dienste einer kompletten IT-Infrastruktur - anbietet.

Dieses Buch vermittelt einen Einstieg in das Thema Cloud Computing mit OpenStack. Es richtet sich an Linux-Systemadministratoren, die OpenStack in der Praxis ein- und umsetzen wollen.

Nach der Klärung grundlegender Begriffe und Konzepte des Cloud Computing werden u?berblicksweise die einzelnen Komponenten der OpenStack-Infrastruktur und ihr Zusammenspiel vorgestellt. Anschließend werden die wesentlichen Komponenten distributionsu?bergreifend im Detail in jeweils einem eigenen Kapitel besprochen. Weitere und zuku?nftige

Komponenten werden in einem kurzen Überblick skizziert. Ein Kapitel zu Setup-Szenarien zeigt schließlich den konkreten Aufbau einer

OpenStack-Umgebung anhand der Enterprise- Distributionen Red Hat Enterprise Linux, SUSE Linux Enterprise Server sowie Ubuntu.

Mit diesem Buch finden Sie einen Weg zur Installation, Konfiguration und Administration Ihrer eigenen IaaS-Cloud mit OpenStack.

Die Autoren sind Mitarbeiter der B1 Systems GmbH, die sich seit Anfang 2011 an der Entwicklung von OpenStack beteiligt und erfolgreich zahlreiche Projekte sowohl bei mittelständischen als auch bei DAX-Unternehmen umgesetzt hat. Ihre Praxiserfahrungen sind in das Buch miteingeflossen.

**From reader reviews:**

**Anthony Youngblood:**

The event that you get from IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) is the more deep you looking the information that hide in the words the more you get serious about reading it. It doesn't mean that this book is hard to be aware of but IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) giving you excitement feeling of reading. The article author conveys their point in specific way that can be understood by simply anyone who read the item because the author of this e-book is well-known enough. This book also makes your current vocabulary increase well. It is therefore easy to understand then can go together with you, both in printed or e-book style are available. We advise you for having this particular IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) instantly.

**Joshua Johnson:**

Many people spending their period by playing outside having friends, fun activity having family or just watching TV all day long. You can have new activity to invest your whole day by looking at a book. Ugh, you think reading a book really can hard because you have to bring the book everywhere? It ok you can have the e-book, having everywhere you want in your Smart phone. Like IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) which is having the e-book version. So , try out this book? Let's view.

**Charles Thomas:**

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but in addition novel and IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) or even others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those textbooks are helping them to increase their knowledge. In different case, beside science publication, any other book likes IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) to make your spare time considerably more colorful. Many types of book like this.

**Joshua McIntosh:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this IaaS mit OpenStack: Cloud Computing in der Praxis (German Edition) can make you really feel more interested to read.
