**In the very near future, a devastating Ebola-like pandemic has struck the world, but for the 1% in New York City it's an excuse for even more twisted behavior.**

Taylor Antrim delivers a thrilling new novel that combines the best of dystopian fiction with a sharp-eyed exploration of class and wealth in the world's capital. In this fast-paced paranoid, near-future New York City, we meet Catherine, a broke socialite who is getting sick. Desperate, she takes a job with a luxury concierge service that fulfills the most outlandish desires of the ultra-rich—even if that means hunting down the 99%. As the hidden agendas of her employer and his shadowy clients emerge, Catherine realizes things are not remotely as they appear and she finds herself a pawn of mega-corporations and government agents all eager to profit from the cure embedded inside of her.
