Repeat It Today With Tears Anne Peile

A secretive child by nature, Susanna makes a covert list of everything she knows about her absent father, determined that one day she will find him. Unable and unwilling to adapt to life in her mother's unsympathetic household, she distances herself as much as possible. When she finally discovers her father's whereabouts and seeks him out, in the free and unconventional atmosphere of 1970s Chelsea, she conceals her identity, beginning an illicit affair that can only end in disaster.

Repeat it Today with Tears is in many ways a traditional love story, as well as a skilful evocation of radical times and desires. It is a fever dream that examines our need to be loved and accepted and a piercing portrait of madness. Anne Peile is a striking new voice in fiction.
