"Screw Whoever You Want and Forget About What People Think: A Guide for Single Women Dating Men that Play Games," completely changes the idea of searching for love after having your heart broken time after time. This dating book offers realistic dating advice for women and emphasizes dating boundaries. It provides tips and recommendations based on: real men that play games, real women and their broken hearts, real trials and tribulations, and finally, real results. This dating book explore the extremes to which "game playing" men go to convince women that they are into them when they really aren't. My objective is to provide dating advice to women to help them recognize the "game" and provide them with dating boundaries to beat it, keeping their hearts intact. The guide strips away the entrenched dating platitudes of the past, including: 1. The 90-day rule—wait before sex. Screw Who You Want Dating Advice: No way! If you want to have sex, do it, but remember it's just for fun, and not love! 2. Trust is the Key to Any Relationship. Screw Who You Want Dating Advice: No way! Don't trust any man until you know for sure he is genuine and his intent in the relationship aligns with yours. Go into the situation with your eyes wide open, not allowing anything to be overlooked. "Screw Whoever You Want and Forget About What People Think: A Guide for Single Women Dating Men that Play Games" is a must-have for single women navigating the dating scene today. Its bold new rules bust the myths of the past, and give women the "frames" to see "game" from day one—protecting themselves from those types of men.
