Most Christians have no idea what it means to fight the good fight of faith. They try to live by faith but in the face of everyday trials and failures, they find themselves disillusioned and discouraged, wondering if they have done something wrong or if living by faith only works for super-spiritual elites. The problem for most is simply a lack of understanding regarding what faith is and how it works. This book inspires and equips believers to be victorious in their fight of faith so that they not only radically transform their own lives but unequivocally impact society.
