**Alea iacta est (HQÑ) (Spanish Edition)** Rosana Briel

En la Imperial Tarraco, capital de la Hispania Citerior, el extraño suicidio de una joven lleva a Cayo Varo a involucrarse en una búsqueda que no es lo que aparenta con la inesperada ayuda de la seductora viuda Marcia Cesonia, que trastocará el mundo del romano para siempre.

Mil novecientos años después, en Barcelona, un brutal asesinato conduce al detective privado César Valente hasta la periodista de prensa rosa, Marcela Cobo.

Personajes de dos épocas distintas envueltos en una serie de asesinatos. Dos culturas diferentes, pero sin duda vinculadas. Dos decorados distantes en el tiempo, pero relacionados en una inexplicable conexión entre el pasado y el presente.

Un mismo objetivo: atrapar al asesino. Un mismo sentimiento: el amor que nace y nunca muere.
