## El momento Eterno (Spanish Edition) DEMETRIO VERBARO

Los tres Protagonistas son muchachos: Giuseppe, Jessica y Sidney. Cada uno de ellos, a su modo, es especial, fuera de lo común, pero es por esta diversidad que serán marginados por sus propios coetáneos. Encontrarán, sin embargo, en su amistad un legado único e indisoluble.

La novela está estructurada en dos niveles temporales y geográficos: en los capítulos impares la historia narra la vida de los protagonistas a partir de su infancia en 1992 y continúa hasta que tienen 20 años; la ambientación es Mosorrofa, un pequeño pueblo de Reggio Calabria empotrado en la colina.

En los capítulos pares, en cambio, estamos en el 2013 y volvemos a encontrar a los protagonistas ya en los treintas, intentando afrontar las complicaciones del amor. La ambientación es New York. Para quien ama las historias de final feliz deténgase en el capítulo final. Para los demás, les aconsejo proseguir hasta el epílogo.
