## **Ho compiuto quarantanni (Italian Edition)** Attilio

Attilio in questo libro si prende la briga di fare il riassunto dei riassunti, si impegna in quello che da anni ci ripromettiamo tutti di fare, appena c'è tempo, appena i figli o la moglie sono altrove; è un po' come quando tentiamo di archiviare le miliardi di foto che invadono i nostri pc, dandovi un ordine, un senso compiuto; sembra impossibile, non ne abbiamo voglia, sappiamo che è di vitale importanza ma è troppo pesante e poi ci vorrebbe un pomeriggio intero; oppure cominciamo l'opera ma dopo poco siamo pronti a gettare la spugna, incattiviti oltre misura. Forse ci vuole un aiuto, un software, un programmatore. O forse è meglio per ora guardarsi un buon porno, un giorno magari saremo di buona lena e provvederemo! L'autore svolge proprio questa funzione: raccogliere le emozioni che abbiamo in comune suddividendole in etichette, cassette della memoria, profumi, albums dei ricordi; racchiudere il meglio degli anni 70, 80 e 90, attraverso la vita di un uomo comune, reale, rigorosamente concreta e dettagliata in ogni suo pertugio. Tutti noi sapremo riconoscerci lì dentro, nei suoi multicolori, nelle molteplici sensazioni che riproduce, nelle canzoni.

E' un'impresa titanica, ma compressa qui in un 'fastbook', veloce, comprensibile e soprattutto mai noioso. Attilio racconta la sua vita di uomo normale: un libro immancabile nella biblioteca di ogni quarantenne italiano; la 'bibbia' d'inizio secolo per molti giovani e meno giovani che vogliono confrontarsi con questo favoloso periodo; il revival dei revival, nostalgico, divertente, concentrato, forte, dissacrante. Buona lettura e rilettura!
