I Am...: Biblical Women Tell Their Own Stories Athalya Brenner

Athalya Brenner presents fictionalized "autobiographies" of a dozen women and women groups in the Hebrew Bible, and also lets them share a conversation session. This allows her to include how these women have been interpreted - not only in the Bible itself, but also in Jewish and Christian traditions and by modern commentators. The result is a thoroughly engaging and insightful look at women, from a leading biblical interpreter who has a very creative edge to all her work.
