## **Providence Has Freed Our Hands: Women's Missions and the American Encounter With Japan (Women in Religion) (Women and Gender in Religion)** Karen K. Seat

At the close of the nineteenth century, American women missionaries traveled far afield to spread Christianity across the globe. Their presence abroad played a significant role in shaping foreign perceptions of America. At the same time, the cultural knowledge and independence these women missionaries gained had a profound impact on gender roles and racial ideologies among Protestants in the United States. In "Providence Has Freed Our Hands," Karen K. Seat tells the history of women's foreign missions in Japan and reveals the considerable role they played in liberalizing American understandings of Christianity, gender, and race.

The author uses the story of Elizabeth Russell, a colorful missionary to Japan, as the backbone for her study. As a member of the Women's Foreign Missionary Society of the Methodist Episcopal Church, one of the most powerful women's institutions of the late nineteenth century, Russell founded a progressive school for girls in Japan, defying the conservative ideologies not only of her own organization but also of the government of Japan. Transformed by her experience in Japan, Russell became a forceful advocate for racial tolerance and women's access to education. With a storyteller's gift for narration, Seat illustrates how Russell's own life reflected the key issues fueling women's missions: increased access to higher education, the impact of evangelical spirituality on women's identities, and the broadening horizons available to women, while Russell's missionary work in turn opened up new discourses in American culture.

**William Perrotta:**

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there

but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Providence Has Freed Our Hands: Women's Missions and the American Encounter With Japan (Women in Religion) (Women and Gender in Religion) can make you sense more interested to read.
