**The Concise Dictionary of Christian Theology (Revised Edition)** Millard J. Erickson

The second edition of this theologian's companion seeks to bring the original dictionary up to date by supplementing it with pertinent ideas and persons from the past 15 years. The emphasis remains, though, upon the historical figures and movements of the first 19 centuries of the Christian era. The clear, succinct definitions of this must-have resource provide every student of theology--whether a beginner or seasoned learner--with the groundwork they'll need in their quest for understanding.
