Intervention in Contemporary World Politics (Adelphi series)

Neil Macfarlane

Intervention in Contemporary World Politics (Adelphi series) Neil Macfarlane

Examines multilateral interventions in civil conflicts and the evolution of the role of such interventions in world politics. It focuses primarily on the Cold War and post-Cold War eras and the differences between them. It contests the notion that there is an emerging norm of humanitarian intervention in international politics, arguing that political interests remain essential to the practice of intervention.
