Beyond Codependency: You're learning to let go, to live your life free of the grip of someone else's problems. And yet you find you've just started on the long journey of recovery. Let Melody Beattie, author of the classic *Codependent No More*, help you along your way. A guided tour past the pitfalls of recovery, *Beyond Codependency* is dedicated to those struggling to master the art of self-care. It is a book about what to do once the pain has stopped and you've begun to suspect that you have a life to live. It is about what happens next.

Playing It by Heart: Since the publication of Melody Beattie's groundbreaking book *Codependent No More*, millions of people have confronted the demons of codependency. And yet, many in recovery find themselves slipping back into the old ways that brought them such grief. In her book *Playing It by Heart*, Beattie helps readers understand what drives them back into the grasp of controlling behavior and victimhood--and what it takes to pull themselves out, to return to the healing, faith, and maturity that come with a commitment to recovery. Personal essays, inspiring anecdotes, and prescriptive reminders show readers how to stop acting out their painful obsessions. Marked by compassion and keen insight, *Playing It by Heart* explores the author's most intense personal lessons and shows readers that, despite setbacks, recovery is a lifelong opportunity for spiritual growth.

Stop Being Mean to Yourself: This is a sequel to Beattie's best-selling book, *Codependent No More* (Hazelden, 1993). Her new work contains the same compassionate tone and penetrating insight for which Beattie has become well known and loved. She takes her audience on an odyssey that starts in Northern Africa. On her journey she shares hope and encouragement and employs analogies along the way to Casablanca, Algeria, and Egypt. She provides lessons about letting go of fear and trusting one's instincts.
