Mental Fascination William Walker Atkinson

This book is accompanying Atkinson's main work entitled "The Secret of Mental Magic," and being in the nature of a sequel, supplement, or "side-light" thereto. It is designed to bring out the details, and special features of several of the "lessons" of which "The Secret of Mental Magic" is composed; and to give something in the nature of Special Instruction regarding the actual operation or workings of the principles referred to in the lessons of my main work. The present manual bears the above mentioned relation to that lesson in my main work entitled "Personal Influence."
