Cupcakes!: From the Cake Mix Doctor Anne Byrn

The cupcake is America's darling. It's celebrated in upscale bakeries, on *Sex in the City*, on the cover of *Gourmet*, and in thousands of classrooms—where every day, it seems, a parent has sent in a batch for the kids to share. The very word conjures up whimsy, coziness, pleasure, nostalgia. Not to mention the fact that their diminutive size means you can eat a lot of them.

Once upon a time, a family had only two recipes for cupcakes—chocolate and vanilla. Not anymore. Now Anne Byrn brings them to the next level. And who better? Recognized as the master of cake-mix baking, Anne is the author of *The Cake Mix Doctor* and *Chocolate from the Cake Mix Doctor*, which have a total of over 1.8 million copies in print. In *Cupcakes* she offers 135 tempting recipes for children and grown-ups, for special days and everyday, lunch bags, holiday festivities, and an unexpected dinner party dessert.

You'll never believe these artful little cakes started with a mix. Coconut Snowballs, Jelly Doughnut Cupcakes, Kiss Me Cakes, Warm Chocolate Cupcakes with Molten Centers, Red Velvet Cupcakes with White Chocolate Peppermint Cream Cheese Frosting. There are surprising additions (tuck a chocolate kiss or piece of cookie dough into the batter). Creative toppings and easy from-scratch frostings (whipped cream spiked with Kahlua; miniature M&Ms; a creamy malted frosting with crushed malted milk balls). Terrific decorating ideas, from glittering golden dragees or elegant chocolate curls to yellow peeps for an Easter cupcake or—for Groundhog's Day—a groundhog's face made out of chocolate frosting and jimmies. Includes a 16-page full-color opening essay.
