Decolonizing The Hindu Mind: 1 Koenraad Elst

The ideological dimension of the Hindu revivalism has been mostly misrepresented or rather neglected in the ongoing debates on the subject. Thoroughly analysing the ideological statements of its advocates and their critiques of the existing secular order Dr. Koenraad Elst provides an overview of the ideas animating the movement. A period of rapid political changes that witnessed the rise of the BJP with only 21 Lok Sabha seats in 1984 to have 179 seats that enabled it to form a coalition government at the Centre in 1998 is the focus of the study. Amidst the umpteen number of works available on Hindu revivalism, this work stands out with its clear focus and clarity of thought.
