It's going to take more than summer loving to heal old wounds, but a remote beach, old friendships and a bit of sunshine might just spark a second chance at love.

When Jennifer Gates drives to Sea Breeze Golf Club to kick off date-night with her boyfriend, the last thing she expects is to find Golf Pro Jack giving one of his lady students a private—and very personal—lesson in bunker-play.

Lucky for Jenn, her best friend gives her the keys to the Culhane family's beach shack on the white-pepper shores of Western Australia's Geographe Bay. Jenn hopes a weekend on the coast with her young son will give her the space she needs to rebuild her confidence after Jack's betrayal.

But she's not the only person seeking sanctuary by the sea. Brayden Culhane is there too, and Jenn can't look at Brayden without remembering the tequila-flavoured kiss they shared on the shack steps years ago.

As long-buried feelings are rekindled, and a friendship is renewed, Jenn knows it is more than lazy summer days bringing her mojo back. Romantic sunsets, ice-cold beers and the odd round of golf can only go so far, because this time trusting Brayden with her heart won't be enough. Jenn has to learn to trust her body, too.
