Sky Raider (Deathlands Book 78) James Axler

OUT OF THE ASHES

Raw courage and knowledge of the arcane secrets of preDark technology have enabled Ryan Cawdor and his warrior companions to live and roam a land tortured—but not destroyed—by apocalyptic madness. In a world where the price of living is paid in flesh and blood, nothing is ever free, not even death.

DEATH FROM THE SKIES

In Deathlands, power brings more power to those able to command it by means fair or foul. Yet few among the most tyrannical barons can rival the ruthlessness of Sandra Tregart, whose despotic visions are being realized by resurrected technology: air power. With her restored biplane, she delivers death from the skies to all who defy her supremacy—a virulent ambition that challenges Ryan Cawdor and his band in unfathomable new ways.
