The Boy Who Saw True: The Time-Honoured Classic of the Paranormal Anon

The Boy Who Saw True is based on the diary entries of a young Victorian boy whose extraordinary supernatural talent reveals itself within these pages. By turns naïve, insightful, funny and moving, it is an extremely convincing account of a precocious paranormal talent, and all the more persuasive because the young diarist never sets out to win over his readers. Born with incredible clairvoyant powers, the anonymous author could see auras and spirits, yet failed to realise that other people were not similarly gifted. This remarkable book has become a paranormal classic.
