The Jewel of Seven Stars

Bram Stoker

The Jewel of Seven Stars Bram Stoker

Someone has seized the fabled Jewel of Seven Stars from the mummy's grip, and the ancient Egyptian queen Tera has risen from her tomb to take it back—at any cost! This thrilling tale of adventure and ritual magic recounts a supernatural struggle in which archeologists, grave robbers, and anyone else who attempts to possess the Jewel meet a mysterious, violent fate.

Bram Stoker, the author of *Dracula*, wrote this enthralling novel of possession, reincarnation, and an ancient curse at the peak of the Victorian fascination with Egyptology. His spellbinding blend of Eastern lore and classic horror fiction formed the template for the plots of dozens of mummy movies. This edition features the original ending as it appeared in the 1903 publication, a gripping conclusion that was censored in subsequent printings and long unavailable.
