**The Stamp Duty Land Tax Handbook** Tony Johnson, Chris Hart

Written from a practical standpoint, this new edition of the Stamp Duty Land Tax Handbook details how the updated legislation works in common practice. The book's examples and case studies will be highly useful to surveyors, valuers and anyone needs to be kept up to date with the application of tax duty on Land.

Unlike most other books in this area, the Handbook is based on practical experience of the work of surveyors applying the latest legislation in making valuations.

The authors explain the potential pitfalls and use examples of calculations of the amounts on which tax is payable. Complex areas like administration and enforcement are clarified and explained. The Handbook will help surveyors and property professionals provide crucial support to their individual and corporate clients.
