Tiffany Aching Complete Collection: 5 Books Terry Pratchett

This collection includes all five Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series, including the final Discworld novel, *The Shepherd's Crown*.

The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men.

A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! Indeed, there is. . . .

Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring.

I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root, for if she falls, the whole Chalk falls with her. . . .

The Shepherd's Crown: Deep in the Chalk, something is stirring. The owls and the foxes can sense it, and Tiffany Aching feels it in her boots. An old enemy is gathering strength. This is a time of endings and beginnings, old friends and new, a blurring of edges and a shifting of power. Now Tiffany stands between the light and the dark, the good and the bad. There will be a reckoning. . . .
