UFO Hunters: Book One William J. Birnes

UFO Hunters® follows the team of bestselling author William J. Birnes, former NASA physicist Dr. Ted Acworth, and former US Army engineer Pat Uskert as they investigate UFO cases around the world. The team's access to UFO evidence is unparalleled—and their expertise allows them to quickly identify bogus claims. Together, they use eyewitness accounts, scientific experimentation, documents recently released through the Freedom of Information Act, and footage that has never been seen on television to piece together compelling—and sometimes chilling—evidence of UFO phenomena. This book is the companion to the popular HISTORY® series and contains previously unseen documentary evidence and case details.
