A Cuban in Mayberry: Looking Back at America's Hometown Gustavo Pérez Firmat

Half a century after viewers first watched a father and son walking to the local fishing hole, whistling a simple, yet unforgettable, tune, *The Andy Griffith Show* remains one of the most popular sitcoms in the history of American television. Tens of millions of viewers have seen the show either in its original run, its ongoing reruns, on DVD, or on the internet. Websites devoted to the show abound, hundreds of fan clubs bring enthusiasts together, and a plethora of books and Mayberry-themed merchandise have celebrated all things Mayberry. A small cottage industry has even developed around the teachings of the show's episodes. But why does a sitcom from the 1960s set in the rural South still evoke such devotion in people today?

In *A Cuban in Mayberry*, acclaimed author Gustavo Pérez Firmat revisits America's hometown to discover the source of its enduring appeal. He approaches the show from a unique perspective—that of an exile who has never experienced the rootedness that Andy and his fellow Mayberrians take for granted, as folks who have never strayed from home or lived among strangers. As Pérez Firmat weaves his personal recollections of exile from Cuba with an analysis of the show, he makes a convincing case that the intimacy between person and place depicted in *TAGS* is the secret of its lasting relevance, even as he reveals the surprising ways in which the series also reflects the racial, generational, and political turbulence of the 1960s.

From reader reviews:

Wayne Ross:

Does one one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Attempt to pick one book that you find out the inside because don't assess book by its cover may doesn't work here is difficult job because you are afraid that the inside maybe not because fantastic as in the outside appear likes. Maybe you answer is usually A Cuban in Mayberry: Looking Back at America's Hometown why because the wonderful cover that make you consider concerning the content will not disappoint an individual. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Cheryl Estrella:

This A Cuban in Mayberry: Looking Back at America's Hometown is great reserve for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having A Cuban in Mayberry: Looking Back at America's Hometown in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hello Mr. and Mrs. hectic do you still doubt that?

Erin Marshall:

Is it you who having spare time after that spend it whole day through watching television programs or just resting on the bed? Do you need something new? This A Cuban in Mayberry: Looking Back at America's Hometown can be the response, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

David Gaiter:

What is your hobby? Have you heard which question when you got learners? We believe that that question was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person such as reading or as reading become their hobby. You need to know that reading is very important as well as book as to be the factor. Book is important thing to include you knowledge, except your teacher or lecturer. You see good news or update about something by book. Different categories of books that can you choose to use be your object. One of them is actually A Cuban in Mayberry: Looking Back at America's Hometown.
