## Adventures of Huckleberry Finn, Complete Mark Twain

Adventures of Huckleberry Finn By Mark Twain is a wonderful story filled with adventure and unforgettable characters that no one who has read it will ever forget. huckleberry has consistently been amongst the most popular and most read books since it was first published in 1884. huckleberry is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels Tom Sawyer Abroad and Tom Sawyer, Detective. It is a direct sequel to The Adventures of Tom Sawyer. The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism. Huck struggles not only with the challenges of his strenuous journey, but also with the 19th century social climate and the role it forces on him regarding Jim. Throughout the story, Huck is in moral conflict with the received values of the society in which he lives, and while he is unable to consciously refute those values even in his thoughts, he makes a moral choice based on his own valuation of Jim's friendship and human worth, a decision in direct opposition to the things he has been taught. Adventures of Huckleberry Finn by the author Mark Twain is a great book highly recommended to read ...
