“If you love him, you will do it.”

These vague words had haunted reporter Adele Lumas for nearly as long as she could remember, in fractured dreams where she was pursued by an unknown but threatening entity. Thanks to various mental ailments, her waking life isn't that much better. She gulps handfuls of pills just to play the part of normal, even though she knows deep down that's one thing she will never be.

Things take a turn for the worse when a serial killer lands in their sleepy burg, targeting their most vulnerable citizens – the children. That's when Adele begins to have different dreams, where she is no longer prey, but the hunter. She witnesses every single one before they happen, which sends her right to the brink of what she can bear.

Just about this time, a beautiful man enters her life and makes her feel anything but odd or weird. He makes her feel beautiful, desired... loved. It is a connection she cannot explain, as though she and this stranger are tied together by an unbreakable cord. Yet the closer they get, the more danger surrounds her life, targeting those closest to her.

As the mystery unravels, she fears that she has met this man before, in another life, where they are bound together through the ages by the curse of blood. Now only she can kill him, or risk losing every single human she's grown to love.

“My Immortal” is a paranormal romance that blends vampire lore with reincarnation, which explores the idea of soul mates and sacrifice. Written by author/screenwriter Ginger Voight, it blends her two loves of the romance and horror genres into a sensual, spooky suspense.
