OnMusic: Appreciation is the first truly interactive, multimedia course for music appreciation

This exciting, interactive product integrates high-bandwidth audio-visual materials, provided on a student CD-ROM, with web-based, customizable low-bandwidth course content and management tools. Students simply purchase the CD-ROM containing the music, graphics, and video that the online course component draws from, log on to the course website, and they're ready to start learning. The course CD-ROM allows instant, random access to the music, animated presentations, audio-linked photos, and instructional videos regardless of Internet connection speed and file size. The web-based portion provides customizable text content, communication, and advanced Learning Management System (LMS) tools that replicate virtually every administrative and academic aspect of a traditional face-to-face learning environment. The seamless integration of CD-ROM and web-based course materials and tools allows for the richest possible teaching and learning experience online. Discover how ***OnMusic*** can revolutionize your campus-based or distance-learning music appreciation course!
