Solvency II: Stakeholder Communications and Change Gabrielle O'Donovan

As the deadline for Solvency II approaches, affected entities will find implementing the required policies into everyday practices becomes a major focus. The second edition of Solvency II: Stakeholder Communications and Change, explains how to prepare for and negate the associated risks.

Gabrielle O'Donovan uses her research and the latest industry developments to demonstrate how to approach stakeholder communications and change management in a structured and disciplined way, framed by the EU Directive's governance requirements. She shows how to use a variety of tools and techniques to engage people with change and embed new ways of doing things. She also reveals how to entrench risk consciousness into your culture, helping you secure Solvency II approval and operate successfully in the Solvency II world.
