In 1870, Bart Young heads for the New Mexico Territory, where he's heard men were making fortunes overnight in land speculation on the old Spanish grants. He figures to be a rich land baron before the year is out.

But the ranchers are stubborn and the local officials corrupt, and many men were there ahead of him. Bart's dream seems hopeless until he stumbles onto evidence of a lost grant bigger than he could have ever imagined: the entire Sacramento Mountain Range--over a million acres.
