Voices of Early Modern Japan: Contemporary Accounts of Daily Life During the Age of the Shoguns: Contemporary Accounts of Daily Life during the Age of the Shoguns (Voices of an Era) Constantine Vaporis

Voices of Early Modern Japan: Contemporary Accounts of Daily Life during the Age of the Shoguns spans an extraordinary period of Japanese history, ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid-19th century opening of Japan by the West. Through close examinations of sources from a time known as "The Great Peace," this fascinating volume offers fresh insights into the Tokugawa era—its political institutions, rigid class hierarchy, artistic and material culture, religious life, and more. Sources come from all levels of Japanese society, everything from government documents and household records to personal correspondence and diaries, all carefully translated and examined in light of the latest scholarship.
