How to Make an American Quilt

Whitney Otto

How to Make an American Quilt Whitney Otto

Inventive and haunting, *How to Make an American Quilt* powerfully captures the rites of passage in women's lives. The art of quilting becomes a metaphor for the realities of being a woman in America as the unforgettable stories of seven members of a contemporary California quilting group unfold. And as we come to understand the beauty and complexity of the quilting process -- to see its evolution in our country's history -- we come to intimately know the history of these women as well.
