Our Vietnam: The War 1954-1975 A. J. Langguth

"Laos was never really ours after 1954. South Vietnam is and wants to be."

-- McGeorge Bundy, Washington, D.C., 1961

"The Americans thought that Vietnam was a war. We knew that Vietnam was our country."

-- Luu Doan Huynh, Hanoi, 1999

Twenty-five years after its end, with many records and archives newly opened and many participants now willing to testify, historian and journalist A. J. Langguth has written an authoritative, news-making account of the Vietnam War from both the American and Vietnamese perspectives.

Our Vietnam is a sweeping and evenhanded history of the Vietnam War as it was lived by U.S. presidents in Washington and Communist leaders in Hanoi, by American Marines at Khe Sanh and war protesters at home, by Vietcong guerrillas in the Mekong Delta and South Vietnamese troops in the Central Highlands. Langguth traveled to Hanoi, Ho Chi Minh City and Beijing to interview scores of ranking Communist officials as well as those who played significant but lesser-known roles. As a correspondent for *The New York Times* in South Vietnam in the 1960s, he observed most of the prominent U.S. officials involved in the war, including Secretary of Defense Robert McNamara, General William Westmoreland, Ambassador Maxwell Taylor and presidential adviser McGeorge Bundy. He has drawn on recently released documents and secret White House tapes to bring the architects of the war and the events of that time into sharp focus. *Our Vietnam* provides a rare look at the secret maneuvering within Hanoi's Politburo, where an implacable southerner named Le Duan emerges as the man -- even more than the famous General Giap -- who shaped the Communist struggle. It reveals the palace intrigues of President Ngo Dinh Diem and his sister-in-law Madame Nhu in Saigon. It takes us inside the waffling and self-deceived White Houses of Kennedy, Johnson and Nixon, and shows how those presidents tried to muzzle the press and deceive the American public. It documents the ineptness and corruption of our South Vietnamese allies, recounts the bravery of soldiers on both sides at Ap Bac and Ia Drang, and explores inhuman behavior at My Lai and within the prison walls of the Hanoi Hilton. It makes vivid again the antiwar demonstrations that led to rioting in Chicago and four dead students at Kent State.

As the struggle shifts to the peace talks in Paris, Langguth contrasts Henry Kissinger's version of the negotiations that led to the withdrawal of American troops with other, more objective firsthand accounts. The frantic evacuation of U.S. diplomats and advisers from Saigon during the Communists' final offensive in April 1975 is the poignant climax to this encompassing story of an enemy's unbroken will and America's fatal miscalculations.

With its broad sweep and keen insights, *Our Vietnam* brings together the kaleidoscopic events and personalities of the war -- the assassinations and battles, the strategists and soldiers, the reporters and protesters -- into one engrossing and unforgettable narrative.
