Revista Serviço Social & Sociedade 116: Proteção social (Portuguese Edition) Vários Autores

Este número da revista Serviço Social & Sociedade apresenta um conjunto de reflexões e análises acerca da Proteção Social contemporânea, suas tendências e desafios num cenário de crise capitalista e reconfigurações do Estado e das políticas sociais. Ao colocar como eixo a temática da Proteção Social, a Revista responde à necessidade de realizar um balanço crítico dos avanços, desafios e perspectivas que se apresentam para as políticas protetivas nesta segunda década do século XXI, no atual contexto das radicais transformações societárias que caracterizam o capitalismo contemporâneo, especialmente em sua periferia.
