Postpolitica (RAZÓN Y SOCIEDAD) (Spanish Edition) José Ángel Bergua Amores

Este libro trata de la postpolítica y propone para ella una doble aproximación. Por un lado, una mirada clásica o exotérica que, si bien con dificultades, pues el saber heredado no fue construido precisamente para esto, muestra las potencialidades del demos, liberado de ataduras políticas y trayendo consigo una autoorganización desde abajo y sin jerarquías, cuando se libera del kratos, o poder sin eficacia ni capacidad de seducción ninguna. Por otro lado, una reflexión no clásica, influida por el esoterismo, que se preocupa por los fundamentos imaginarios.
