Queensblade (Heirs to Byzantium Book 3) Susan Shwartz

The time for the transfer of power from one generation to the next has come. The rites require Queen Olwen to kill herself with the Queensblade in order to ensure the bounty of the kingdom. First, the Princess, Olwen's daughter Gwenlliant, must discover the powers in order to inherit the crown and the kingdom, for only in Gwenlliant rests the power to bring back the bounty of the land and the kingdom of the ages. Gwenlliant must go forth from the Isles of Mist to the shores of Byzantium in order to discover her ancient birthright. Attacked along the way by the assassins of the spirit of darkness and nearly becoming a sacrifice in the dark and bloody vaults of the Stone King, Gwenlliant must overcome hardship and steal her way to succession for only then will her kingdom survive.
