Practical Tips For Enhancing Personal Productivity. You have to believe that you are a wonderful person and that you are a once-in-all-history event. You have the duty and a right to be whom you are capable of. You have to believe that life is not a problem to solve, but a gift to cherish. You have to believe that you will be able to stay one up on what used to pull you down. You have to believe that you are your greatest asset and that there is nothing you cannot do. You also need to believe that no one can keep you from dreaming and that you alone can stop dream coming true. Your achievements are determined by the desire that you possess. You have to discover who you are and what you are capable of. It is not a quirk of fate, but it is the systematic application of the effort that will make you what you want to be.

You need workable ideas to make your exciting dreams come true. This book contains over four hundred small but powerful ideas, which are simple and commonsense. It is purely up to you to practice them and make your dream come true.
