Analyzing the Global Political Economy

Andrew Walter

Analyzing the Global Political Economy Andrew Walter

Ideally suited to upper-undergraduate and graduate students, *Analyzing the Global Political Economy* critically assesses the convergence between IPE, comparative political economy, and economics. Andrew Walter and Gautam Sen show that a careful engagement with economics is essential for understanding both contemporary IPE and for analyzing the global political economy. The authors also argue that the deployment of more advanced economic theories should not detract from the continuing importance for IPE of key concepts from political science and international relations. IPE students with little or no background in economics will therefore find this book useful, and economics students interested in political economy will be alerted to the comparative strengths of political science and other social science disciplines.

- A concise look at the foundations of analysis in the political economy of global trade, money, finance, and investment
- Suitable for upper-undergraduate and graduate students with some or no economic background
- Techniques and findings from a range of academic disciplines, including international relations, political science, economics, sociology, and history
- Further reading and useful weblinks including a range of relevant data sources, listed in each chapter

From reader reviews:

Ernest Keeler:

Book is actually written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. To be sure that book is important issue to bring us around the world. Close to that you can your reading skill was fluently. A guide Analyzing the Global Political Economy will make you to be smarter. You can feel much more confidence if you can know about almost everything. But some of you think in which open or reading a new book make you bored. It isn't make you fun. Why they can be thought like that? Have you in search of best book or appropriate book with you?

Martin Thomas:

Here thing why this specific Analyzing the Global Political Economy are different and reputable to be yours. First of all studying a book is good nonetheless it depends in the content of it which is the content is as scrumptious as food or not. Analyzing the Global Political Economy giving you information deeper since different ways, you can find any reserve out there but there is no e-book that similar with Analyzing the Global Political Economy. It gives you thrill looking at journey, its open up your personal eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your method home by train. In case you are having difficulties in bringing the branded book maybe the form of Analyzing the Global Political Economy in e-book can be your alternate.

Henry Hedrick:

Information is provisions for those to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is inside the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Analyzing the Global Political Economy as the daily resource information.

Jackie Frost:

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Analyzing the Global Political Economy, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't have it, oh come on its identified as reading friends.
