Bombas de intuición y otras herramientas del pensamiento (Spanish Edition)

Daniel C. Dennett

Bombas de intuición y otras herramientas del pensamiento (Spanish Edition) Daniel C. Dennett

Esta obra reúne una colección de herramientas del pensamiento -las favoritas de Dennett- con el fin de equipar al lector con medios para pensar sobre cualquier tema. Su presentación va de lo general a lo particular: primero presenta una docena de herramientas universales, para cualquier propósito; luego expone el resto, no de manera individual, sino agrupadas por el tema donde mejor funcionan. De esta manera el autor revela de manera sencilla y con humor lo que un filósofo hace, las razones por las que lo hace y la manera en que trabaja su mente.
