## Cold Case (Carlotta Carlyle Mysteries) Linda Barnes

A case almost a quarter of a century cold turns red hot again when Linda Barnes's detective and part-time cabby, Carlotta Carlyle, gets ensnared in the hunt for the source of a manuscript in the unmistakable voice of Thea Janis, the young literary sensation who disappeared twenty-four years ago at the height of her fame.

Now, pages from an inflammatory new manuscript are appearing, written in a voice that could be none other than Thea's. But a madman sits in a Massachusetts state prison, convicted of her murder. The "Cold Case" squad of the Boston Police won't touch this one--they want to keep it irrevocably closed. Thea's brother, a dashing politician, is in the middle of a hotly contested gubernatorial race and has other problems, with a fiery young wife and a reputation for ruthlessness. Thea's older sister has withdrawn into her own oblivion. And her aristocratic mother finds her refuge in a bottle.

Who wrote the new manuscript? Who is sending it piecemeal to Thea's family, demanding chapter-by-chapter blackmail? Who is playing games with Carlotta with every loaded word? Is Thea alive or dead? Is the author a victim, a plagiarist\*or a killer? Carlotta Carlyle confronts demons from the past and from the present as she peels back layer upon layer of a glittering family's dark secrets in *Cold Case*, her toughest and most intriguing assignment yet.
