Featuring 1,000 detailed entries, this encyclopedia examines the phenomenon of television theme songs. Organized alphabetically by TV series from The A-Team to Zorro, the individual themes are designated by title, composer, lyricist and performer, with an analysis of how the theme captured the show's spirit. Each entry also includes the series' cast credits, its network, the years of its original run, and an in-depth program description.

Fascinating facts and anecdotes about each theme song are included, along with an assessment of its popularity, and (whenever appropriate) a list of industry awards that the song has won. Devotees of the captivating and oftentimes unforgettable themes for such series as The Brady Bunch, Gilligan's Island, The Mary Tyler Moore Show, Rawhide and Scooby-Doo have a genuine treat in store.
