Family Affairs Sandra Kitt

A woman who seems to have everything comes face to face with a troublesome man from her past in this blockbuster novel by bestselling author Sandra Kitt

To the world, New York gallery owner Gayla Patton has it all: a fabulous career, a beautiful adolescent daughter, a devoted lover. But beneath the surface is a past she'd rather forget. Things start unraveling when David Kinney suddenly reappears in her life.

Witness to a terrible crime, David was ten when he was brought into Gayla's childhood home. Now, after serving time in prison for a crime he insists he didn't commit, the controversial artist is stirring up dark memories . . . and awakening reluctant desires. As he coaxes out Gayla's deepest fantasies and her own explosive secrets, she begins to question whether people—including herself—can truly change.

A tender and moving exploration of the ties that bind, *Family Affairs* is a novel about forgiving the sins of the past and finding the courage to move on.
