La Masonería. Una perspectiva geopolítica (Spanish Edition)

Alain de Keghel

La Masonería. Una perspectiva geopolítica (Spanish Edition) Alain de Keghel

Para un francmasón abierto a lo universal, como es mi caso, y además desde hace ya muchos años implicado en la relación con los países de América Latina así como de la Península Ibérica, tanto en la vida profana como en las actividades masónicas, era natural bajo todo aspecto, dirigirme a mis Hermanos de lengua española en su lengua para mejor compartir con ellos mi lectura de los valores universales sostenidos por la Orden masónica.

Tratar la geopolítica masónica universal en algunas páginas es una apuesta y un desafío que me esforcé en poner de relieve partiendo de la historia de los comienzos de las corrientes de ideas que han conducido al surgimiento de la Orden masónica en Europa, luego a la discusión de las ideas llevadas por la Luces a través del mundo y, notablemente, en América Latina. Hoy día, los masones perpetúan una tradición que nos es común. La de un compromiso masónico resuelto en la sociedad civil.

Puedan nuestros anhelos de futuro, sobre los cuales concluye mi obra, constituir un factor suplementario en favor de esta exigente dinámica. Será la palabra final. La de la Esperanza.
