La profecía del armadillo (Spanish Edition) Zerocalcare

«Se denomina "profecía del armadillo" a cualquier previsión optimista basada en elementos subjetivos e irracionales, disfrazados de lógica y objetividad, y destinada a alimentar penas, decepciones y frustraciones por los siglos de los siglos. Amén.»

El gran fenómeno del cómic europeo, avalado por más de dos millones de ejemplares vendidos en Italia, llega a España.

La profecía del armadillo supuso el descubrimiento de uno de los mayores talentos del cómic europeo. El estilo fresco y original de Zerocalcare le ha valido un reconocimiento creciente que lo ha situado entre los autores favoritos del panorama italiano. A su vez, las dos figuras que protagonizan esta novela gráfica casi se han convertido en iconos del noveno arte. La trama es aparentemente sencilla: el autor y su conciencia, representada por un armadillo gigante, se ven empujados a una espiral de recuerdos ante la noticia de la insidiosa muerte de Camille, amiga de la infancia y primera amor de Zero.

En parte retrato generacional, repleto de referencias a la cultura popular, y en parte tratado de psicología suburbana, *La profecía del armadillo* es en definitiva una crónica agridulce sobre las ocasiones perdidas, repleta de humor y de culpa (como solo puede serlo la vida vista desde cerca), tan delicada como cruel a la hora de desenmascarar las debilidades propias... que no dejan de ser las de todos.

Reseñas:

«El éxito de la obra de Zerocalcare, *La profecía del armadillo*, se debe a que ha sabido interceptar un sentir generacional, un sentimiento de inadecuación y de expectativas traicionadas.»

J. Barranco, *La Vanguardia*

«Zero Calcare publica en España *La profecía del armadillo*, un cómic autobiográfico que brota de la muerte de una amiga. El dibujante italiano ha vendido más de 25 millones de cómics.»

Beatriz Perez, *La Voz de Galicia*
