L'ABC des Styles (French Edition) Émile Bayard

Vous vous êtes déjà demandé pourquoi votre plafond ressemble aux voûtes d'une cathédrale gothique ? Ou bien pourquoi le bâtiment où vous travaillez est si différent des autres ? L' ABC des Styles vous invite à explorer les différents styles de l'architecture et de la décoration intérieures, depuis l'Antiquité jusqu'aux années quarante. Des châteaux et palaces de l'aristocratie française aux églises monastiques dominicaines du Moyen Âge, partez en voyage à travers l'Histoire ! Souvent, les bouleversements politiques impliquent des transformations dans les styles artistiques. En Europe, plusieurs styles ont tiré leur nom d'un souverain ou d'une période historique ("style Louis XIV", "style Régence"). Jusqu'à la fin du xixe siècle, c'est généralement la royauté qui dictait la mode en matière de styles, ce qui constituait alors un signe de pouvoir.
