Heaven and hell are from the human race. All who have ever been born men from the beginning of creation, and are deceased, are either in heaven or in hell. The Last Judgment must be where all are together; therefore in the spiritual world, and not on the earth. The Last Judgment exists when the end of the church is; and the end of the church is when there is no faith, because there is no charity. All the things which are predicted in the Apocalypse are at this day fulfilled. The Last Judgment has been accomplished. Babylon and its destruction. The former heaven and its abolition. The state of the world and of the church hereafter. The subject of the Last Judgment is continued, principally that it may be known what the state of the world and the church was before the Last Judgment, and what the state of the world and the church has become since; also, how the Last Judgment was accomplished upon the Reformed.
