Tears of Rage John Walsh

As the host of the immensely popular *America's Most Wanted*, John Walsh has been instrumental in the capture of nearly four hundred and fifty of this country's most dangerous fugitives. However, few know the full story of the personal tragedy behind his public crusade: the 1981 abduction and murder of his six-year-old son, Adam. Here, for the first time, Walsh, his wife Revé, and their closest friends tell the wrenching tale of Adam's death -- and the infuriating conspiracy of events that have kept America's No. 1 crime fighter from obtaining justice and closure for himself and his family.

"I've never really spoken about these things to anyone before, but I want to talk about Adam before he died. I want people to know just exactly how horrible it is to lose your child, how painful it is. But I also want to talk about how people can help you, and how you can help yourself. About how to come to terms with life when you think you're dying of a broken heart." -- John Walsh

"I remember thinking, 'our son's been murdered, and now we've got to be the ones to do something about it' It was a sad thing for this country that the fight had to be led by two broken-down parents of a murdered child. But we had to, because no one else was going to do it." -- Revé Walsh
